

# IN MEMORIAM

## With Us No More

*It singeth low in every heart,  
We hear it each and all—  
A song of those who answer not,  
However we may call;  
They throng the silence of the breast,  
We see them as of yore—  
The kind, the brave, the sweet,  
Who walk with us no more.*

*'Tis hard to take the burden up  
When these have laid it down;  
They brightened all the joy of life,  
They softened every frown;  
But Oh, 'tis good to think of them  
When we are troubled sore:  
Thanks be to God that such have been,  
Although they are no more.*

*More homelike seems the vast unknown  
Since they have entered there;  
To follow them were not so hard,  
Wherever they may fare;  
They cannot be where God is not,  
On any sea or shore;  
Whate'er betides, thy love abides,  
Our God, forever more.*
